

October 21, 2011 – GAAC is honored to be invited to speak at various state aviation conferences. On October 13, GAAC Policy Director Bill Hanka addressed members of the Aviation Association of Indiana, and the following week, GAAC Executive Director Jennifer Imo attended the Massachusetts Airport Managers Association conference. This is a great opportunity for us to share with GA airports and other interested parties what GAAC is doing for GA airports around the country, and to give an update on what is happening in Washington that will affect GA airports for years to come.
